

Koala Sofa Bed Ottoman

1. Screw in the legs

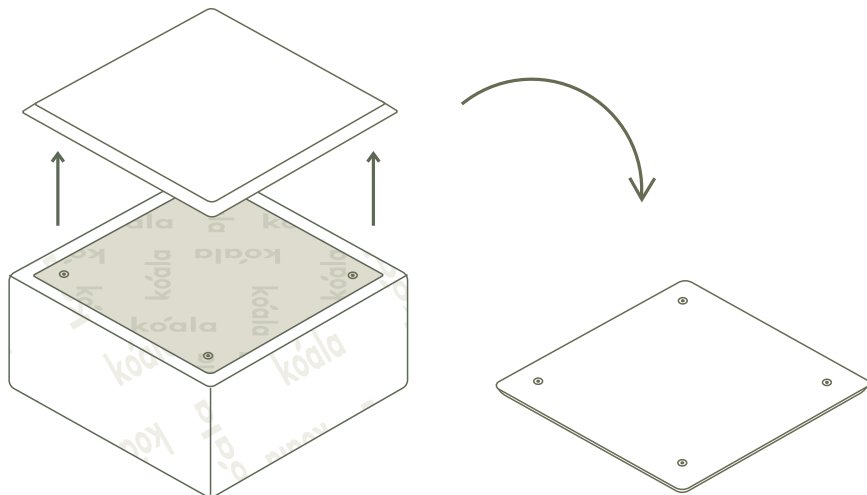

2. Attach the cover to the base by securing the velcro

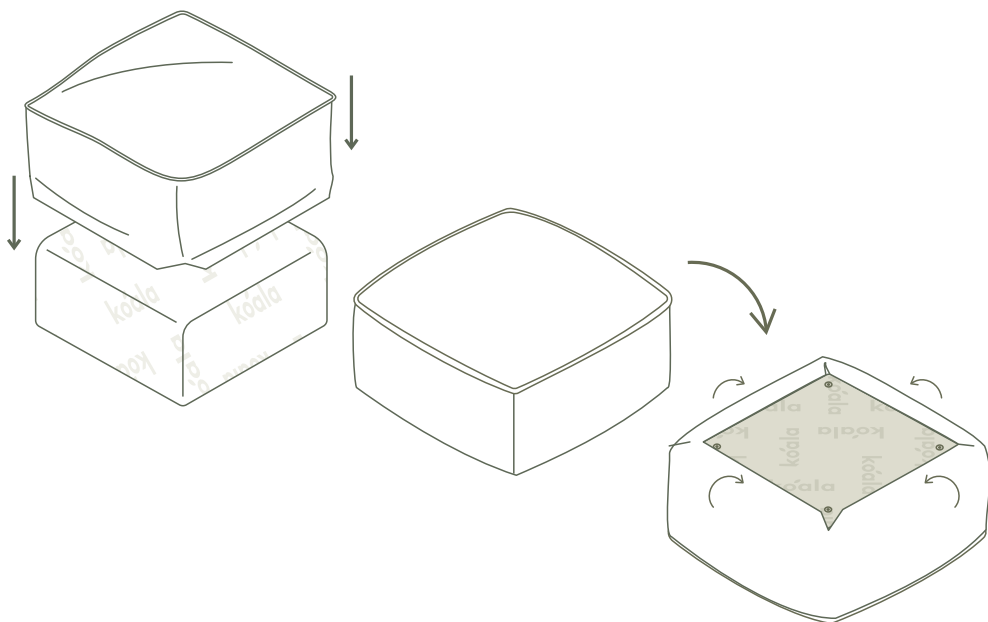

Heads up! The green velcro on the cover and frame go together

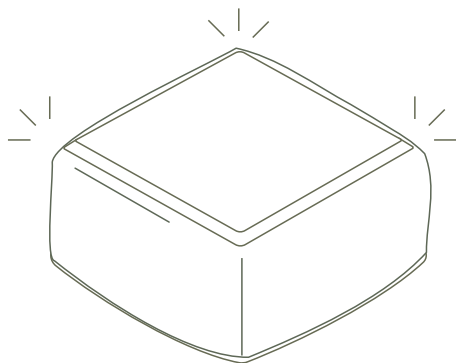

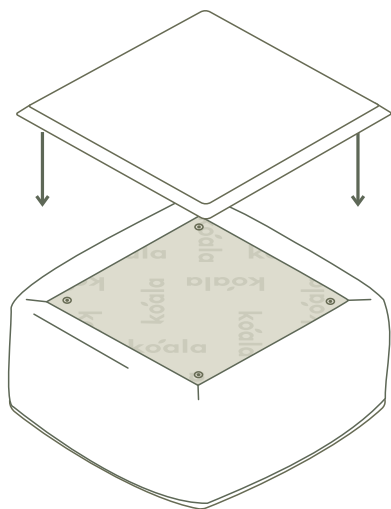

3. Remove the timber board from the lid

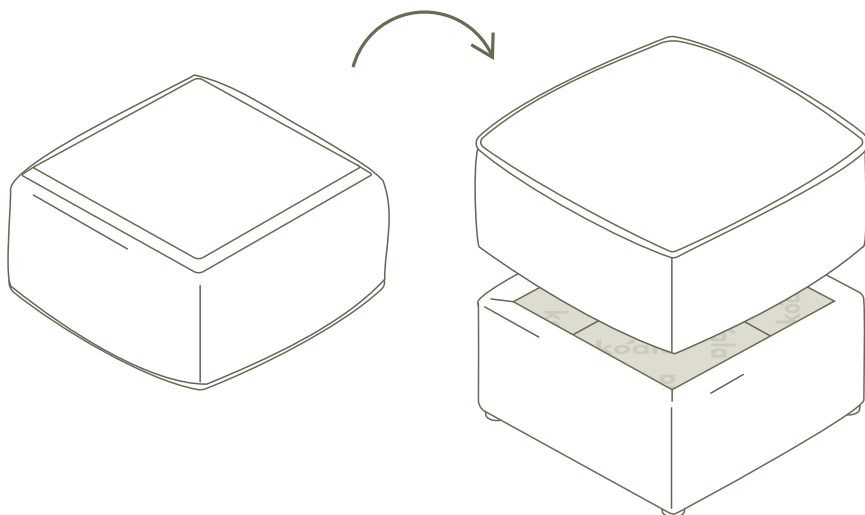

4. Attach the cover to the lid by securing the velcro on the base

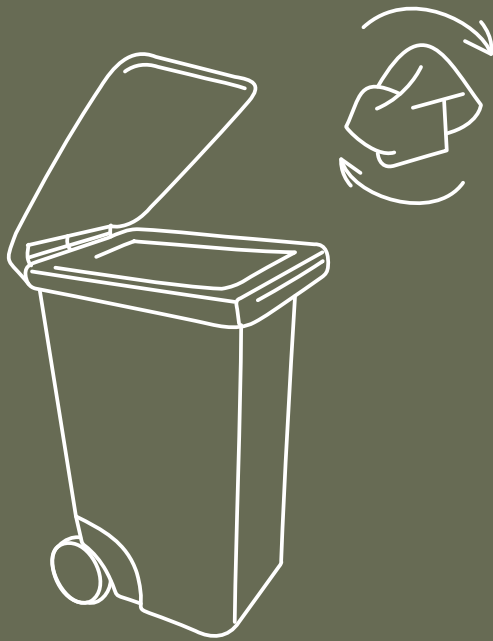

- 5.** Center the timber board on the lid and push down so that each corner snaps in

-
- 6.** Place the lid onto the base

Don't forget to recycle.
